RE: Freedom of Information Act (FOIA)  
EPA-R8-2014-006473

This is in response to your Freedom of Information Act request of May 14, 2014, requesting a query of Wyoming potable water projects currently under review. You were seeking records for projects that have submitted Preliminary Engineering Reports within the last two years and detailed Plans and Specifications within the last six months with anticipated project costs greater than \$250,000. You were also seeking a list of Wyoming water systems that are not required to submit such plans or specs per project. This is to advise you that we have searched our files and found that we have no records responsive to your request.

This information may be obtained from the Wyoming Department of Environmental Quality (WY DEQ), which has responsibility for Preliminary Engineering Reports, and Plans and Specifications. You may contact:

Rich Cripe  
WY DEQ  
Water and Waste Water Program Manager  
Phone: 307-777-7075, [rcripe@wyo.gov](mailto:rcripe@wyo.gov)

Under the FOIA, you have the right to appeal this determination to the National Freedom of Information Office, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), E-mail: [FOIA\\_HQ@epa.gov](mailto:FOIA_HQ@epa.gov). Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOI number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Since we are not in possession of the records, there will be no costs billed to you.

If you have any questions, please feel free to contact Natalie Cannon of my staff at 303-312-6625.

Sincerely.

Sadie Hoskie  
Director, Water Program  
Office of Partnerships & Regulatory Assistance
